About A+ Sports Therapy

We are an injury & rehabilitation clinic staffed only with graduate sports therapists & indeed some of our therapists are not only grads, but also hold or are working on higher degrees in Sports Therapy.

We have male & female clinicians on staff and our therapists who are all members of "The Society of Sports Therapists", and have many years of experience having worked on many differing conditions & types of injury, treating patients of all ages & from all backgrounds not just sport, although we are very adept at treating sports injuries.

We offer a full array of treatments which can aid in the rehabilitation of musculoskeletal conditions & injuries.

So please don't hesitate to contact us should you require an initial consultation & treatment.
