About A+ Sports Therapy

We are an injury & rehabilitation clinic staffed only with graduate sports therapists, indeed some of our therapists are not only graduates, but also hold or are working towards higher degrees within Sports Therapy.

We have male & female clinicians on staff & our therapists who are all members of "The Society of Sports Therapists", have years of experience having worked on many differing conditions & types of injury, treating patients of all ages & from all backgrounds not just sport, although we are all extremely adept at treating sports injuries.

We offer a full array of treatments which can aid in the rehabilitation of musculoskeletal conditions & injuries.

So please don't hesitate to contact us should you require a consultation or treatment.
